THE BLACK MOON WORKSHOP

July 31st 9am-4pm \$90

132 Greenford St, Chapel Hill 3378 9649

The Black Moon in the Chart.

Healing ancient wounds related to the repression and denial of the Yin/Feminine principal: issues of sexuality, childbirth, fertility, the earth, indigenous peoples, darkness and death.

We need to heal these wounds and reconnect with the deep Sacred Feminine within: returning to the love, power and mystery of the Great Mother and bringing that forward into our lives and the world.

THE AUSTRALIAN ELECTION: GILLARD OR ABBOTT?

and... THE GULF OIL SPILL: A WAKEUP CALL

What does it all mean and what can we do?
