

THE BLACK MOON WORKSHOP

July 31st 9am-4pm \$90

The Black Moon in the Chart.

Healing ancient wounds related to the repression and denial of the Yin/Feminine principal: issues of sexuality, childbirth, fertility, the earth, indigenous peoples, death. We need to heal these wounds and so reconnect with the deep Sacred Feminine within: returning to the love, power and mystery of the Great Mother.

=====

Please let me know very soon if you're interested in sitting the exam and/or doing the classes. The dates of these classes will be set in the next week or so.

FAA CALCULATIONS EXAM CLASSES

Preparation Classes for the FAA Calculation Exam in August

- Visit <http://www.faainc.org.au/Exams/exam.htm> for details about the FAA Exam system
- Learn how to calculate and hand-draw a birthchart
- Learn how to work with all the amazing information in the Ephemeris – including transits, progressions, eclipses etc.

3rd YEAR DIPLOMA COURSE in 2011

For all those students of mine who have completed the 2-year Foundation Course, I'll be offering a 3rd YEAR DIPLOMA COURSE in 2011. This course will cover further astrological techniques and there will be lots of opportunity to practice working with charts. Details to be announced in the coming months. Let me know if you're interested.

=====

I'll be one of the presenters at the annual Australian Goddess Conference – see below:

AUSTRALIAN GODDESS CONFERENCE 15, 16, 17 October 2010
at the **Community Hall, Albert Park Waterways, BROADBEACH QLD**

The GAIA Management Team are delighted to announce that the 2010 Goddess Conference Program, Information and Registration Form are now available for your viewing and downloading online at the GAIA Website. http://www.goddessassociation.com.au/conferences_page.html
